

Charlotte

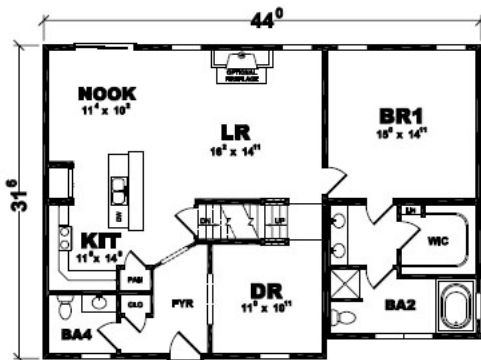

Bedrooms: 4

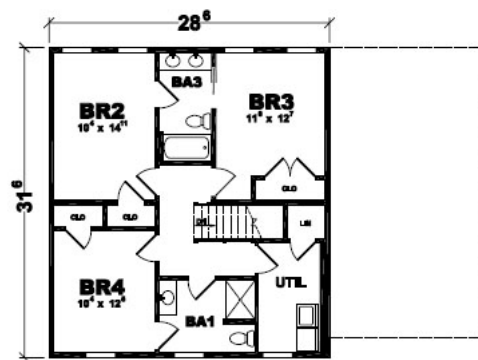

Bathrooms: 4

Square Feet: 2253 sq ft

Short Description: For all its efficiency – the smart design brings together four bedrooms and three bathrooms into an integrated layout – the Charlotte doesn’t skimp on cozy charm. From the front porch and inviting foyer to the sunlit nook connecting the kitchen and living room, this is a home design to help you bring it all together. Especially when you opt for the attached garage!
