

Carlisle

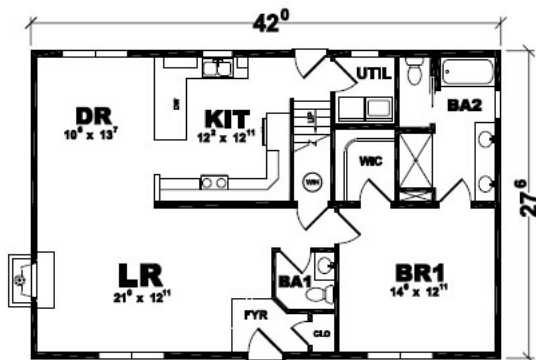

Bedrooms: 3

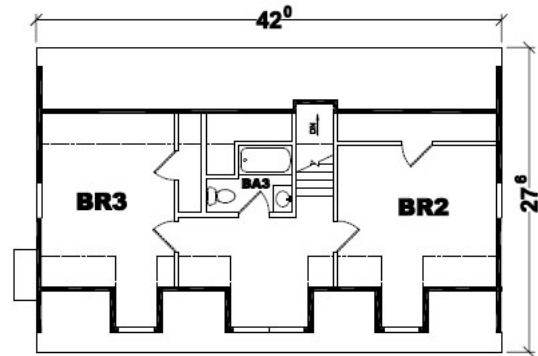

Bathrooms: 3

Square Feet: 1841 sq ft

Short Description: Flexibility is the foundation of the Carlisle model. For some, that means a home with room to grow. For others, it's the many uses afforded by sunlit second-floor sitting rooms. And everyone can appreciate the variety of rooflines and other design choices the Carlisle provides. Whatever you decide, you'll feel right at home in the spacious living room, roomy kitchen, and breezy master bedroom suite.
