

Marcer

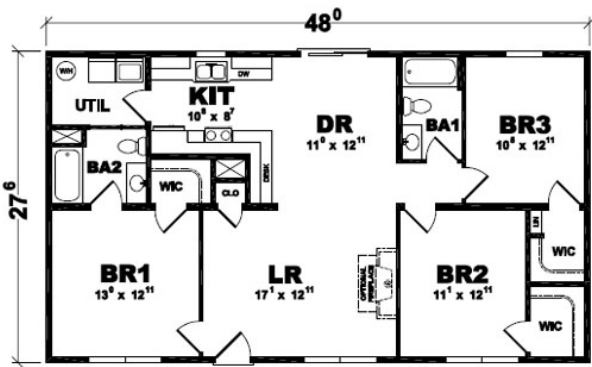

Bedrooms: 3

Bathrooms: 2

Square Feet: 1320 sq ft

Short Description: The stately columns and entry archway of the Marcer lead the way into a well-considered design of efficiency and flow. This three-bedroom, two-bathroom layout puts closet space and storage right where you need them – plus, it offers well-integrated kitchen, dining room and living room spaces for comfortable convenience and effortless entertaining. Add an optional attached garage and enjoy the full Marcer experience.
