

Ridgemont

Bedrooms: 4

Bathrooms: 2 1/2

Square Feet: 2736 sq ft

Short Description: This four bedroom, two and one half bath model is perfect for entertaining. The floor plan flows effortlessly from the kitchen to an open dining room and family room. A half bath and an enormous first floor master suite complete the first floor. Three additional bedrooms, a full bath and an abundance of closet space highlight the second floor of this 2,700 square foot design.
