

Lafayette

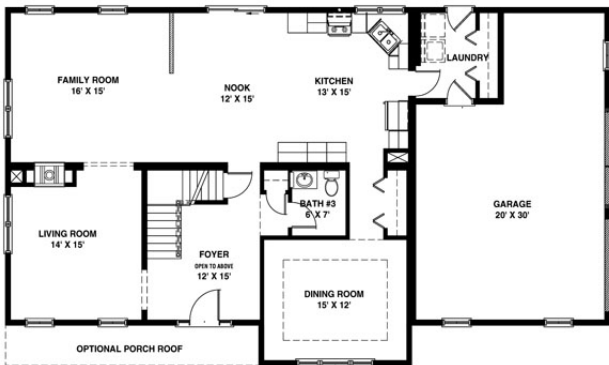

Bedrooms: 4

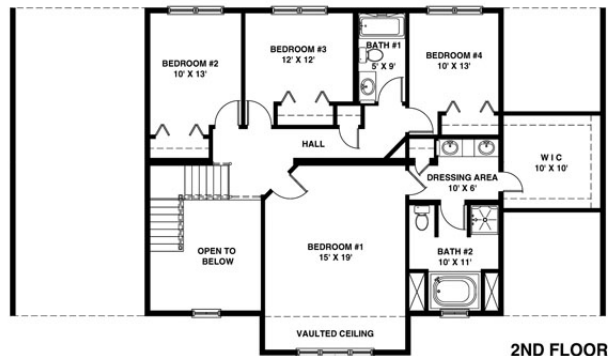

Bathrooms: 2 1/2

Square Feet: 2809 sq ft

Short Description: A beautiful two-story home featuring an open first floor plan and attached garage. The second floor encompasses the sleeping quarters which includes a large master suite with dressing area, walk-in closet, and master bath. A second full bath and three additional bedrooms complete the second floor. This is a large home and would welcome any size family.
